Competitors are entirely responsible for their own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else reduces this responsibility. It is for the competitor to decide whether they are fit to sail in the conditions in which they will find themselves. By launching a competitor confirms that their boat is fit for those conditions and they are competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the competitors nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event and include the organizing authority, the race committee, the race officer, patrol boats and beachmasters. The provision of patrol boats does not relieve competitors of their responsibilities.

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2,000,000
